# Foundation of the Future

*Change Today. Shape the Future.*

**Aboitiz Foundation, Inc.** is the Aboitiz Group's corporate foundation established in 1988. In partnership with Aboitiz business units, the foundation empowers future leaders with resources and scholarships, creates jobs through digital skills training and community development, and prioritizes climate action with nature-based solutions for a sustainable future. After 37 years, it continues its legacy with a renewed commitment to expand flagship programs, foster global collaborations, and harness innovation in its unwavering mission to shape a brighter future for its communities and for the nation.

RELIABLE SOLAR ENERGY

INTERNET CONNECTIVITY

DIGITAL LEARNING TOOLS

CAPACITY BUILDING

## THE SITUATION

**Energy access** is crucial to bridging the education and digital divide. In the Philippines, over **2000 schools** still have no or limited access to electricity. Most of these unelectrified schools are **geographically isolated and disadvantaged areas**.

With the initiative of bridging the gap in education access for the Philippines' most underserved communities, Aboitiz Foundation launched **AuroraPH**—a program dedicated to harnessing **renewable energy, internet connectivity, and digital tools** to transform education in **last-mile schools**, empowering young minds to reach their full potential.

## OUR TARGET IMPACT

Power up **300 schools** across the Philippines through reliable solar energy systems.

# Partner with Us

Through a **cash donation**, you can fund **5 kWp Solar PV Systems** or contribute through **in-kind digital tools**.

# ELEVATE AIDA

Upskilling Filipinos with Digital Skills for a Better Livelihood

## THE SITUATION

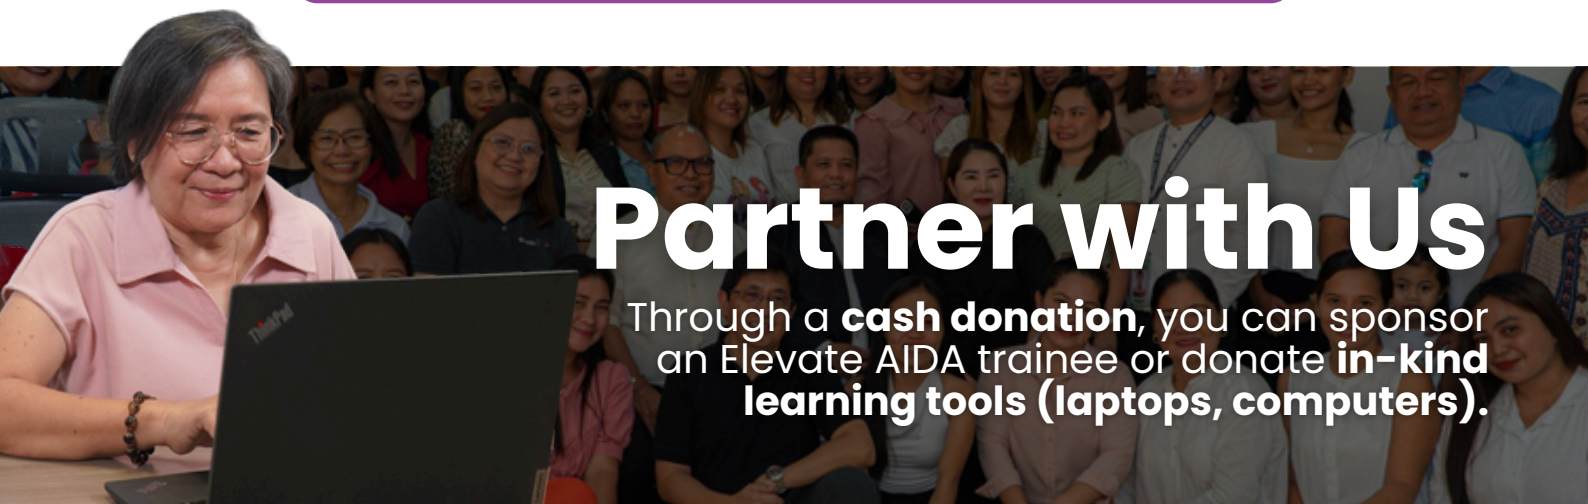

In an increasingly digital world, limited access to training has led to fewer employment opportunities for Filipino **women**, especially **stay-at-home mothers**. As a result, over **1.2 million Filipinas** have been forced to search for work overseas.

In partnership with Connected Women, Aboitiz Foundation envisions the **Elevate AIDA** program as an **end-to-end innovative solution** for Filipino women geared toward building resilient, empowered, and sustainable **livelihood opportunities in the digital economy**.

## OUR TARGET IMPACT

Empower **300,000 women** to become future-ready with digital training.

## Partner with Us

Through a **cash donation**, you can sponsor an Elevate AIDA trainee or donate **in-kind learning tools (laptops, computers)**.

THE SITUATION

The **Central Cebu Protected Landscape** faces deforestation and declining water sources, with over **71,000 hectares of forest land needing restoration**. Climate change threatens watershed health, biodiversity, and local community resilience.

**CarbonPH** delivers nature-based solutions through afforestation, reforestation, and revegetation, combined with biodiversity conservation and agroforestry. The project generates high-quality carbon credits while supporting watershed recovery, flood resilience, biodiversity, and community livelihoods.

OUR TARGET IMPACT

Protect and restore **Cebu's forests and only watershed.**

Partner with Us

With an investment of **₱100,000**, you can sponsor the planting of 1,000 trees.

## THE SITUATION

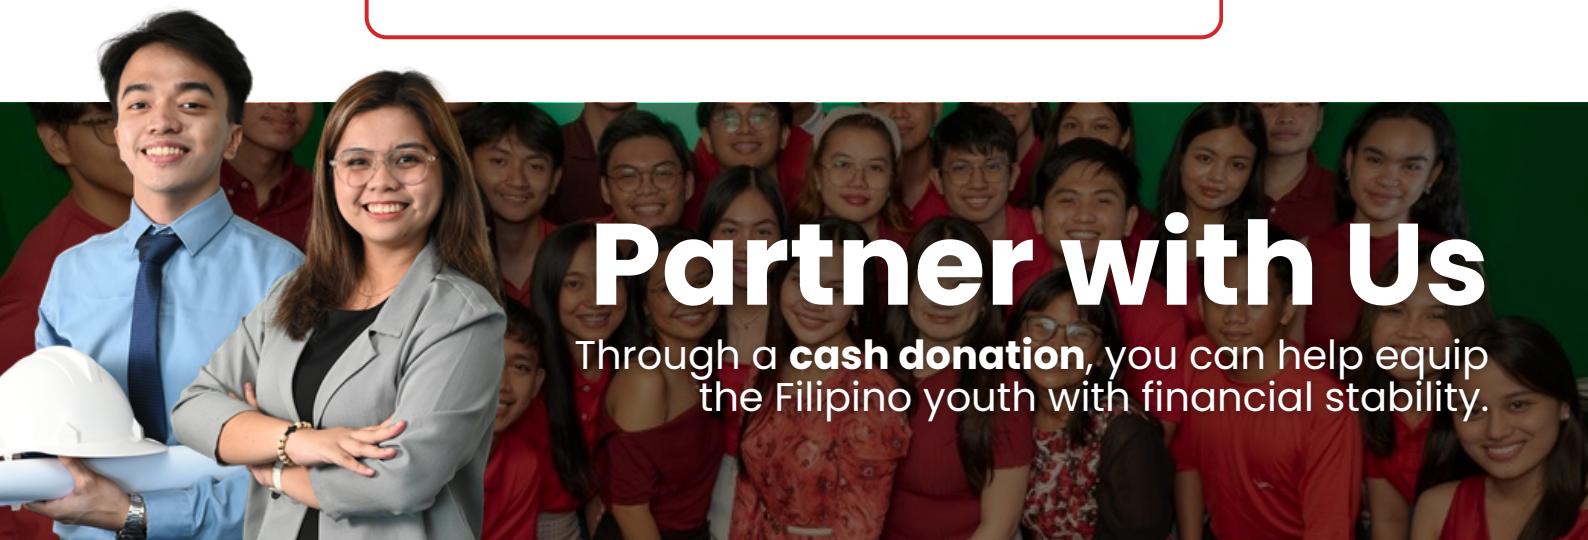

Many young **Filipino students face financial barriers to accessing quality higher education**, limiting their opportunities to reach their full potential and create meaningful impact in their communities.

The **Aboitiz Future Leaders Scholarship** empowers deserving students through full educational support, mentorship, and leadership development opportunities. By investing in their growth, the program helps shape future leaders who can drive positive change in their communities and beyond.

## OUR TARGET IMPACT

Empower deserving Filipino students  
with **quality education**.

# Partner with Us

Through a **cash donation**, you can help equip the Filipino youth with financial stability.

At Aboitiz Foundation, we are driven by a clear vision: changing lives today to shape a better tomorrow. Through our three impact pillars—Future Leaders, Jobs, and Climate Action—we empower students, create livelihood opportunities, and restore ecosystems for a more sustainable future.

But there is more work to be done. We invite you to support these programs through your donation and help us expand opportunities, strengthen communities, and protect our environment. Together, we can build a future where everyone can thrive.

**Ginggay Hontiveros-Malvar**

President, Aboitiz Foundation

At Aboitiz, our brand promise is clear: advancing business and communities. We believe that lasting progress is created when economic growth goes hand-in-hand with social development.

Through Aboitiz Foundation, we partner with communities to create opportunities, build resilience, and help address society's most pressing challenges. However, meaningful change requires collective action.

We invite everyone to join us in this effort. Every contribution helps create a ripple effect of positive impact—empowering people, strengthening communities, and building a better future for all.
